

Overcome Evil with Good

Overcome evil with good
Overcome evil with good
Show `em love like Jesus would and
Overcome evil with good

Think before you speak
Turn the other cheek
An eye for an eye makes the whole world blind
So overcome evil with good

Overcome evil with good
Overcome evil with good
Show `em love like Jesus would and
Overcome evil with good

When someone makes you mad
And you wanna get em back
Give a smile go the extra mile
And overcome evil with good

Overcome evil with good
Overcome evil with good
Show `em love like Jesus would and
Overcome evil with good

Romans 12:21 says don't be overcome
By evil but instead you should just
Overcome evil with good

Overcome evil with good
Overcome evil with good
Show `em love like Jesus would and
Overcome evil with, Overcome evil with, Overcome evil with... good!
